FOR A MERRY XMAS

Why not get a nice Runabout, Buggy, Stanhope or Surrey for your amily, for your wife, or for yourself? Something they will enjoy continuously, and the appreciation for which will last. Life is short. You can have your leved ones with you but a short time, so why not get that "smart" rig now. We have just gotten in some "trappy" -we believe the most stylish ever brought to Phoenix, butmatter what style of rig your taste demands, or your pocketbook will stand, we can fit you out-surprising values for little noney—a strong and liberal guarantee—a square deal.

We wish it were possible for us to give every one of our custemers a new buggy this coming Merry Christmas, but as this is not practicable, we shall do the next best thing and during the time between now and Christmas, we shall make special rock-bottom prices on every rig sold for cash, and in this way make a present to you all.
